The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back, get back, ge get back
The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back
(VERSE ONE)
Yo picture this
U
Got a kid in a room
His hands sweatin and shakin while he's lacin his shoes
The excitement's buildin up for what's comin up soon
To get out there and do what he was born to do
He's listenin to the beats
He's trying to get in the zone
He's gotta take control and make every moment his
own
Just a little bit tired
He's just a little bit scared
But he's so focused he won't show it when he's finally
there
Cuz now he's out on the floor
And he's catchin the pass
Slashin to the glass, movin so fast, right to the hole,
They don't know how to stop him
And he keeps on droppin
2's and 3's by the second
And the crowd is rockin
So they knock him
Knock him down to the ground
He takes a deep breath before he gets up and looks
around
Everything's in slow motion
The crowd is an ocean
Only one minute left
Before he's crowned as the best
The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back, get back, ge get back

The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back
(VERSE TWO)
Imagine
A little girl in the stands
The kid's her older brother and she's his number one
fan
He's always lookin out for her
And she looks up to him
And she wants nothin more than for her brother to win
But the truth
Is that there's someone on the other team
Someone who stole her heart
Someone who holds her dreams
They kiss for the 1st time just the other evening
Her brother's 23 but her lover's number 16
The drama is set
The whole scene is intense
She doesn't know which one to cheer for and she's
gettin upset
Cuz they're at each other's necks, and what happens
next
Is that her boyfriend steals the ball and checks the kid
in the chest
16 on the break
23 on the chase
Boyfriend goes in the air with brother up in his face
They come crashing to the dirt
She's about to burst
When the game is over who she gonna run to first, yo
The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back, get back, ge get back
The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back
(BRIDGE)
You shi gan jue zu ai tai duo
Dan wo hai shi wei le wo de meng xiang er fen dou
Nothin's gonna stop me
Ey yo this game of life is one big struggle
We gotta hustle just to make it everyday
And to find ourselves a way
To fight the fears we facin
And grab those dreams we chasin
Cuz there ain't no competition
When we rise to the occasion, c'mon

The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back, get back, ge get back
The rain is knockin at my door
And I can't see the sun no more
I'ma have to fight my way
If I'm ever gonna get back
