Every now and then, get the feeling, you let me win
I don't want it that way, like a child, let me play

I don't know what I want, don't know what I'm feeling
inside
Would you take sometime, wrap me up, let's go for a
ride

Got a bad thing longing, baby
And it's growing stronger each day
Got a bad thing longing, honey
So bad, they'll put me away

Don't you ever tell me I'm not the one
I'll come undone, I'll come undone

Every once in a while, get the feeling you've lost your
smile
Hope it's not my fault, all my faces are canned and
bought

I don't know what I want, don't know what I'm feeling
inside
Could you spend the night, wrap me up, let's go for a
ride

Got a bad thing longing, baby

And it's growing stronger each day
Got a bad thing longing, honey
So bad, they'll put me away

Don't you ever tell me I'm not the one
I'll come undone, I'll come undone
I'll come undone, I'll come undone

I know you can't understand all the things I do
But I'm tired of explaining the things I put you through

I don't know what I want, don't know what I'm feeling
inside
Would you turn out the light, wrap me up, let's go for a

ride

Got a bad thing longing, baby
And it's growing stronger each day
Got a bad thing longing, honey
So bad, they'll put me away
So bad, they'll put me away
So bad, they'll put me away

Don't you ever tell me I'm not the one
I'll come undone, I'll come undone
I'll come undone, I'll come undone
