A vision propelled by thoughts  
Fused by an ideal that defies reality  
A constant fight to remain above  
To leave this mark  
Those scars to reshape history

Crystal perfect world  
Symbol of power shattered in a second  
Hidden abomination come to light  
As a deviation occurs...

[Solo: Will]

This palace built to fulfill and retain their supremacy  
A fortress engineered to reign  
But unable to resist temptation

Behold the great collapse  
Ultimate chaos unleashed  
The beauty of a paradise stained  
Almighty prophet engages catastrophe

Blinded by time, praised by numbers  
The empire is a techno-logical mockery

Crystal perfect world  
Symbol of purity forever black  
Poisoned by his own true nature  
As a deviation occurs...

[Solo: Rob]

[Solo: Will]

Rising from the dark  
Absurd violent dreams  
Emerging deviously  
Like a psychic renaissance  
Naive through storm  
Compelled to destroy innocence

Blinded by time, praised by numbers  
The entire empire is a mockery

Broken silence, socially awakened  
The essence of truth through global discovery

Individual with perfect balance  
Suddenly infected
