

## Neuraxis "Oracle"

Sacred allegories  
Or mystic idol  
Experience and honesty  
Transcends the symbol  
Global simplicity  
Opens all meaning  
Quiet individual  
So awe-inspiring

Nothing is gained  
No one is lost  
A basic rule  
One has to trust

Over bended men  
Sat the tyrants  
But now fate is vain  
And lies silent

Over hardened hands  
Grows up the world  
Now senses proclaim  
An oracle...

Venture some greed  
Like a brassier glows  
For certainties  
No need of hope  
But an antique meed  
Promise of old  
Sworn by an oak  
And the wind blows...

Sacred allegories  
Or mystic idol  
Experience and honesty  
Transcends the symbol  
Global simplicity  
Opens all meaning  
Quiet individual  
So awe-inspiring

Amongst open minds  
Will bloom the world  
For ones who dare listen  
To the oracle inside...
