Nazi guards are screaming  
Soon they will stop living  
Herding the people into lines  
One of them is to board  
The train to auschwitz  
Horror and pain soon to come...  
The death camp

There are jews  
Wearing their yellow stars  
Poles, people from the world  
Wishing they'd never been born  
Suffering all the scorn

As the bombs fall - we are praying  
As the bombs fall - nazis are coming  
As the bombs fall - people are dying  
As the bombs fall - we're still roaming

Hitler hates the human race  
They refuse to fight in the war  
Give their lives to die  
Offer their souls to sacrifice  
The blood of innocents  
As the bombs fall we sit...
