By disgrace our nation [x2]

Suffers from a cancer

Politicians keep the money

In their bank accounts

They steal, they rob [x2]

And no one says a word

I am sick, I am tired

Of this corruption

I don´t need no lies [x2]

I donÂ't need your rules

LetÂ's start a war

Sacrifice their rules

Politicians, politicians

Politicians, politicians

You´re a fucking politician

I donÂ't need no lies

I don´t need your rules
