Everything under the sun  
Going to hell  
In an episode of snl  
Watch it on the tv  
You ugly girl  
You can not sing  
Can't even lip sync  
Apparently money  
Can even buy you dignity  
Never wanna forget  
In a couple of days  
It doesn't matter  
What they say in the press  
I guess  
Im not the only one  
Feeling the itch  
Cause they're  
Given away the billboard award  
To some phony little.....  
PRECHORUS:  
So what would you know  
About how your song goes  
Just let that table roll  
CHORUS:  
So many faces  
Of so many people  
Are covered in stupid  
And all they wanna do is get in  
I know that your parents  
Are brother and sister  
Its Idiot season  
So let the Hunting begin'  
Let the hunting begin  
Let the hunting begin  
Let the hunting begin

VERSE 2:

Since pratice wasn't on the list  
Clearly talent doesn't exist  
Maybe joking of buying you

A set of bigger tits  
Apologize to the world  
And admit that you were wrong  
Who's dick you'd have to suck to  
Get the number one song

PRECHORUS:

So what would you know  
About how your song goes  
Just let that table roll

CHORUS:

So many faces  
Of so many people  
Are covered in stupid  
And all they wanna do is get in  
I know that your parents  
Are brother and sister  
Its idiot season  
So let the hunting begin  
Let the hunting begin  
Let the hunting begin  
Let the hunting begin

(BRIDGE)

Well  
Whos this little girl  
Whos got my elbow in her mouth  
To keep herself from coming out  
Said you're daddys little girl  
Nobody knows  
What we all know

(CHORUS/OUTRO):

So many faces  
Of so many people  
Are covered in stupid  
And all they wanna do is get in  
I know that your parents  
Are brother and sister  
Its idiot season  
So let the hunting begin  
I know that your parents  
Are brother and sister  
Its idiot season  
So let the hunting begin  
So many faces  
Of so many people  
Are covered in stupid

And all they wanna do is get in  
I know that your parents  
Are brother and sister  
Its idiot season  
So let the hunting begin
