Vengeance, the only escape
Neurons invaded by terror
Pain in the deepest of the heart
Madness blackening my soul

The wrath's pleasure
The hand of sin
Tearing my bowels
I should be free
My hate obsesses
I'm hungry for flesh
Wrapped flesh in blood scarlet
With no regrets

Adorned with the badge of death
Pain now arrives
And my hate is flaming
Now I am free
No remorse, no celebration
Psycho control
Sealing your eyes now
Exhibits great power
Let's go to inferno
We are fucking sick
Everyone has reasons
It's the flame again

Hate song - demon's tongue
Hell's scream your own world
The last decision
It's the human instinct
To kill, to hate, to die
Hate song - demon's tongue
To kill, to hate, to die

Your hate dominates
She's your demon
Can you control your fucking demon?
No remorse, no celebration
Psycho control
Sealing your eyes now
Now exhibits great power

Let's go to inferno - hate!
