"

Chocolate Form"

Neutral

1 - I felt his stare all over my body

Checking out each end of my lovely, beautiful

Chocolate form, and then he was gone

2 - She caught my eyes all over her body

Checking out each end of her lovely, beautiful

Chocolate form, and then she was gone

I stepped on stage ready to

Perform a minute or two

To a crowd in a poor little room

There was a man in the back, under a cowboy hat

That had the eyes that pierced right through

I can see you and he's watching me

He's undressing me in his fantasies

I knew he wanted me

Cause every time he blinked

The words he thinks is written on him

Repeat 1 (2x)

I tried to act as if she was not getting to me

Yet she proceeded to carry on

And even before I knew, just what I needed to do

I looked and she was gone

Come to find out the show was through

So I ran right to her dressing room

And on the table I left this note

And inside I wrote

I enjoy watching you

Repeat 2 (2x)

It's so hard to get her chocolate form

All out of my mind

I just wanted to talk to her

Let her know how I feel

It's so hard to get her chocolate form

All out of my mind

I just wanted to talk to her

Let her know just how it is I feel

Repeat 1

Repeat 2

Repeat 1

Repeat 2

It's so hard to get her chocolate form

All out of my mind

Chocolate form, then she was gone

It's so hard to get her chocolate form

All out of my mind

Chocolate form, then she was gone

Repeat 1

Repeat 2
