Jeff: "This is a Phil Spector song.."

I love how your eyes close  
Whenever you kiss me  
And when I'm away from you  
I love how you miss me  
I love the way your kiss is always heavenly  
But darling most of all  
I love how you love me

I love how your heart beats  
Whenever I hold you  
I love how you think of me  
Without being told to  
I love the way your touch is always tenderly  
But darling most of all  
I love how you love me

I love how your eyes close  
Each time that you kiss me  
And when I'm away from you  
I love how you miss me  
I love the way your kiss is always heavenly  
But darling most of all  
I love how you love me
