Mmhm, mmhm, mmhm
Mmhm, mmhm, mmhm
Yeah, all in my face feelin' me
Mmhm, mmhm, mmhm
All in my face feelin' me
Mmhm, mmhm, mmhm (Uh...uh)

[Verse One]

We was up in the club
Fillin' these with all the intention we sip of Hennessy
My friend and me, I caught my niggas killin' me
Testin' weed until the enemy got the Tennessee
To hinder me, all in my face feelin' me
Bud we pretend to weed, hennessey to silly games
Gangstas throwin' them signs up and up and down
Bumpin' enemies sayin' things that offendin' me
Still here and we ballin' half drunk, passin' out song
after song
Inhalin' gun after gun, passin' out blunt after blunt,
havin' fun
Them niggas took a jab at me
Then one push from the back of me
Tryin' to tackle me and wrestle me
Couldn't get me down, so they hit me in the back and
beat (yeah)
They had me badly beaten
I gotta gash in me, but it was just a scratch to me
At first did get some vasiline
A half a week, it cleared up fast and clean
To a scratch you were bad to see, so I ain't mad to see
I want to squash and flaten and beat
Like White Castle's and crystal square beef patties beat
'Cause I'm so sick of you harassin' me, and playin' with
me
So can we canapy?
Before we cause a tragedy, and someone pain and
agony
But if you feel you can handle me, and still wanna take
the man in me
This time I'll have to shut you down
Like Sunshine Hennesin, because...

(hook - repeat 4X)
I don't want no problems
And you don't want no problems so...
Better leave me alone, and gone on
Nigga better leave me alone and gone on

Ow, ow, ouch, it hurts...so bad
It hurts...so bad

[Verse Two]

I'm from the home of racist rednecks and confederate
flags
You could strand them hussies, politicians and drags
Cotton pickin', slave tradin' and nigga lynchin'
Lead to more oppression, me Cricket caught trigger
pinchin' (well)
Ridin' along, mindin' my own buisness, God as my
witness
It was five in the morn', passin' along, hop in the
cornerrrr
No, po-lice, hold up, turn the radio down (put your
seatbealt on)
Put your seatbealt on
Shit, God damn
Give me the fuckin' weed
He's gone
What!?
He kept goin'
It's like I got enemy's, 'cause of my race they hate me
Fuck pullin' over, CHASE ME
Guess it's safe to say it makes me crazy
Can't give up, 'cause this hate it makes me
Wanna grab an AK spray strays on 8th street
8 ways and blaze the day bleed
E-E-8-D-D-E-8-B
Tryin' to say we pull more keys than a leash of ladies
Well ok, hate me, say we crazy
But lately, baby
Even criticizin' the way we say things
I pray everyday, but the way he hating
I wish Jeff Dahmer was here, why?
So he could eat President Bush's baked beans
That's why I've been a crook since 18
Leave me alone, listen to what the hook is saying

(hook - repeat 4X)
I don't want no problems
And you don't want no problems so...
Better leave me alone, and gone on
Nigga better leave me alone and gone on

[Outro]

What's up son, it's Allecious

It's your boy, smoke

AKA chevy pentagram to cut your 'cain, again (leave me alone)

And uh, I got a problem with you bitches (leave me alone)

I'm sick and tired of bein' sick and tired! (leave me alone)

I can't even leave the muthafuckin' club

with a clean pair of muthafuckin' Schnegals

'Cause the muthafucka wanna step of my feets (leave me alone)

I gotta check my muthafuckin' Polo for birth spots and liquor stains

Cause a muthafucker want oppression

But wanna get me on purpose

I'm sick of this shit (leave me alone)

Don't be mad at me 'cause my earrings so big

and brighter than your beetch, nigga

And you beetch, don't be mad at me

cause my tires bigger than your niggas tires on his

Chevy

Sheeit

Like Lil' Darryl say "LEAVE ME ALONE!"
