Pictures in the fire  
Reflections of myself  
Take a look in the mirror  
What do I see  
A portrait of me

[Chorus:]

And the smoke curls up the chimney  
Sending messages of love  
But you're so far away  
So far away

This cold wintry evening  
I curl up by the fire  
I wonder what you're doing  
I know we agreed  
To part for a while

[Chorus]

So here I am alone again  
Pretending that you're with me  
I can't so noshe can't say no  
And I can't let goand she can't let go  
I thought he'd never leave me

Turning round I see you  
I know it's tonight  
It's just my heart deceiving  
A trick of the light

And the smoke curls up the chimney  
Sending messages of love  
If only you were with me  
Ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh ooh ooh  
Ooh ooh with me

And I can't say no ... she can't say no  
And I can't let go ... and she can't let go  
Pretending that you're with me

So here I am alone again  
Thought you'd never leave me
