VERSE 1

Goodbye
And I hope that you know I'm waiting
It was the very last time I
Pretend

Now the answers in the smile
When you drag me down my back
I'm throwing off your way

PRE CHORUS

When I saw your,
Face!

CHORUS

You lost in sight, innocent
Just light the fire up tonight (I've been dying)
You try to put me on your best seat (I've been dying)
But that's the way we are (I've been dying)

VERSE 2

I'm coming to you (from the sight of your eyes I)
Saying the word that's real (I see butterflies)
All I ask is you to be (inside)
My dictionary

From the sight of your eyes I
I see butterflies inside
Inside

BRIDGE

You blame but you trust me
You hate me, but you love,
All along (by your side)
