You know what ? You know what ? You know what ?
These guys are here.
These guys are here for a promotion tour the brand
new album.
You guys gotta check it out.
It's so talk in bed.
So bad you might pee your bed.

So remember yes gotta see here.
Right here. Right here. Right here.
Then it is least happens NEVER MIND.
By the way, TONY my rookin' buddy.
My real rookin' buddy TONY !
That's my buddy.
