We're gonna rock our way to the top
No one can make us stop
We're gonna Rock our way to the top
No one can have us stop

No one can stop us or kill us
We're unmovable and ungrovable
We're gonna beat you and defeat you
Don't try push us or mush us
We'll smash you and crash you
We can't be beaten or defeatened

We're gonna rock our way to the top
No one can make us stop
We're gonna Rock our way to the top
No one can have us stop

Hey watch it you could get beat
You'll be lucky if you stay on you feet
If you're smart you'll quit now
If you listen to me, I'll show you how

We're gonna rock our way to the top
No one can make us stop
We're gonna Rock our way to the top
No one can have us stop
