Hey listen up it's the story of me
We're the number one band on MTV
We're a small town band from Hershey Pa.
But when we get famous, we'll move to L.A.
We're better than Linkin Park and all the above
Cause we're a band that shows no love
Cause love songs are made for toys
Not a group of punk rock boys

We're a new band from Hershey PA.
The number one band in the U.S. of A
We're a new band from Hershey PA.
The number one band in the U.S. of A

Now that you hear the story of me
We're a band that rocks up MTV

We're a new band from Hershey PA.
The number one band in the U.S. of A
We're a new band from Hershey PA.
The number one band in the U.S. of A

{solo}

We're a new band from Hershey PA.
The number one band in the U.S. of A...

U.S. of A!
