And I can't believe that I could believe that.  
And I can't believe you left me for dead man.

Cause I called you my friend.  
My best friend at that.  
I know that I'm loud man  
But give me another chance.  
I promise to keep this damn snout shut for you.  
But only for you...  
... Cause I love you

I should've seen the boredom in your eyes.  
You dropped me off and you said your goodbyes.

Cause dad I called you my friend.  
My best friend at that.  
I know that I'm loud man  
But give me another chance.  
I promise to keep this damn snout shut for you.  
But only for you...  
... Cause loved you

I saw this man on the side of the road.  
He said take my hand, that man threw me a bone.

Cause one man's trash is another man's treasure.  
The way that he made me feel was better then ever.  
He told me he loved me.  
He meant it forever.

And I love him cause he loves me.  
And all I've ever wanted was to feel loved.
