You make me happy whether you know it or not
We should be happy that's what I said from the start
I am so happy knowing you are the one
That I want for the rest of my days
For the rest of my days
Yeah, all of my days

You're lookin' so cool you're lookin' so fly
I can't deny that when I'm staring
You down right dead in the eye
I wanna try to be the person you want
The person you need
It's hard to conceive
That somebody like you could be with
Someone like me

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think the more I wish
That we could lay here for hours and just reminisce
Ooh Ooh

You're lookin' so fresh
It's catching my eye
Why oh why did I not see this before
The girl I adore was right in front of me
And now I'll take a step back and look in your eye
And ask why it took so long to see
We're meant to be

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think the more I wish
That we could lay here for hours and just reminisce

On the good, the bad, the ugly
The smiles, the laughs, the funny,
Or all the things we put each other through
It's for you for you for you

You make me happy whether you know it or not
We should be happy that's what I said from the start

I am so happy knowing you are the one
That I want for the rest of my days
For the rest of my days

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think the more I wish
That we could lay here for hours and just reminisce

Ooh ooh
