If timings everything
Stop telling me you're taking your time
I know you're anxious
But you're running your mouth like you're five
Years old again
It's so hard to pretend

Like I know everything
I don't know anything
I wanted you to see
(That I got nothin'!)

I'll sit back
And I'll watch the show
Yeah I'll watch the show
I'll lay awake
And I'll watch the stars as they collide

Yeah my eyes they don't see
And I don't breathe the way I used to
Yeah my lips, woah, they don't sing
And I won't be the way I was on that night

Steady breathing is all I can advise
To a girl with a sweet tooth for revenge
I know I'm crazy but it's so hard to pretend

Like I know everything
I don't know anything
I wanted you to see
(That I got nothin'!)

I'll sit back
And I'll watch the show
Yeah, I'll watch the show
And I'll lay awake
And I'll watch the stars as they collide

Yeah my eyes they don't see
And I don't breathe the way I used to

Yeah my lips, woah, they don't sing
And I won't be the way I was on that night

It was the night everybody agreed I was wrong about
you
I told them you were being so strong
I knew you were a liar
I knew you were a liar from the start
(X2)

Don't treat me like I'm playing a game
'Cause baby I don't want to lose
Baby, I don't want to risk it all for you

And my eyes they don't see
And I don't breathe the way I used to
Yeah my lips, woah, they won't sing
And I won't be the way I was on that night
