I like you  
Girl you don't got nothing to prove to me  
I know that times have been rough  
For the both of us

But I'll pray for a change

You see this world has lots to offer  
But in time it will go dark,  
And if this love is what we see it is  
I'm sure we will go far  
And with a girl as sweet as you  
There's not much else I can do  
But fall for you

You know that I'm a wreck  
And you know I can't breathe  
At the edge of my seat with each word  
As the months turn into years  
Just know that I will wait... here,  
For you

Cause I prayed for a change

You see this world has lots to offer  
But in time it will go dark,  
And if this love is what we see it is  
I'm sure we will go far  
And with a girl as sweet as you  
There's not much else I can do  
But fall for you  
For you  
For you  
For you

This world has lots to offer  
But in time it will go dark,  
And if this love is what we see it is  
I'm sure we will go far  
And with a girl as sweet as you  
There's not much else I can do  
But fall for you
