You've been talkin' 'bout leavin'
For two weeks and counting
Why can't you just make up your mind
I like a girl who is true to her word
But more than that
A girl who is true to her heart

So if you go, if you go
Let me know, let me know
That your gone
And your not comin' back
Cause I wouldn't have that

So the hours were creepin'
And you keep repeating
You never have felt so alone
But babe I told you last week
That my heart was to keep if
You told me that you would stay home

So if you go, if you go
Let me know, let me know
That your gone
And your not comin' back
Cause I wouldn't have that
And if you stay, if you stay
Tell me right away
I'll give you one last chance
To pull my heart strings

Baby all I ever wanted for you
Was the best but I guess
Your second guess was your best bet
To get outta this town
But it brought you farther
Down, down, down
Just like I was
With my heart on a thread
And my soul on a run
Well I'll give you
One last chance

(Harmonica Part)

So if you go, if you go
Let me know, let me know
That your gone
And your not comin' back
So I can have my heart back
