You got it all down,  
Got it all down,  
Down to a science.  
Breakin' hearts is what you do for fun,  
Little one.  
But see I wrote it all down,  
Wrote it all down,  
Into a song.  
I'll break your heart in just 3 minutes.  
Now, look who won.

Yeah, I'm moving on, but that's the way it goes.  
When you break my heart, everybody knows.  
Don't pull that shit, again.  
For me now, but I'm building up.  
I can see that I've had enough  
Of you.  
I'm finally through.

And all I see in you,  
Is another mistake right over my shoulder.  
Now, I see who you are.  
And all I saw in you,  
Was a girl just lookin' for love.  
Now all I need is an apology,  
But damn, that's too much.

Everybodys talkin' 'bout how you're not the girl,  
That you say you are.  
With the deceiving little smile and your black hole of  
denial,  
I'm not the least bit surprised,  
That your whole wide world,  
Is crashing down right before my eyes.

And all I see in you,  
Is another mistake right over my shoulder,  
Now, I see who you are.  
All I saw in you,  
Was a girl just lookin' for love.  
Now all I need is an apology.

And all I see in you  
Is another mistake right over my shoulder,  
Now, I see who you are.  
All I saw in you,  
Was a girl just lookin' for love.  
Now all I need is an apology.  
Is that too much?
