"Losing It"

All we ever did was move around.
I was always the new kid.
Never the cool kid.
All I ever wanted to do,
Was to fall in love,
Just to be in love.

But my heart was racing,
My mind was screaming,
"You've got your whole life to do these things."
But my legs were shaking,
My hands were searching for her
In the back seat of my car.
I just lost it
And I can't believe it.

I knew I was only sixteen,
But I thought I loved her,
And it'd last forever.
But only if I knew
That she wasn't true.
How could she do this to me?

My heart was racing.
My mind was screaming,
"You've got your whole life to do these things."
But my legs were shaking.
My hands were searching for her
In the back seat of my car.
I just lost it
And I can't believe it.

Oooh Oooh Ooooh
