I've been so disinterested with love  
These modern times evaporate any chance for trust.  
To live a fool or die alone.  
To say goodbye or be disowned  
Make a choice or live inside the gray

I know everybody knows,  
Everybody knows  
It takes time  
To figure it out

I've been to preoccupied with lust  
The rush it takes me over  
Then it leaves me more fucked up

To be a perv or be a prude  
To make false love or push on through  
Trust tonight really does exist  
The one you heard about  
When you were still a child.  
Don't give up just yet.  
You still got so much time,  
To figure it out

I've been so unsatisfied with touch  
See I've kissed 7, 000 women  
Yet I still can't get enough  
To have some fun or sleep alone  
To hit the bar or just go home  
Make a choice or live inside the gray  
I'm okaaay.

I just wanna fall.  
In.  
Love.

I just wanna fall.  
In.  
Love.

I just wanna fall.

In.  
Love.

I just wanna fall.  
In.  
Love.
