I hit rock bottom before I met you  
My heavy heart, it hit the floor

As I observed your smile, it's takin' you a while  
To understand that I ain't foolin' 'round when I say  
You look your best  
Without your makeup on

The universe threw me for a loop  
When we locked eyes I knew that I  
Wouldn't stop until I had you

Don't let bitter words from childish tongues  
Keep your feelings on the ground  
Let's spread our broken wings  
And celebrate in this new love we've found

It goes  
To show you  
When you're ready for love  
It will find you

Just like  
You found me  
Recovering from an overdose in California off the coast  
Of Malibu

La la la la la la la la la la la la la la la la

Ooooh

Ooooh

La la la la la la la la la la la la la la la la

Ooooh

Ooooh

La la la la la la la la

It goes  
To show you  
When you're ready for love  
It will find you

Just like  
You found me  
Recovering from an overdose in California off the coast  
Of Malibu

Ooooh Ooooh

Haaa
