Waking up on the bathroom floor  
Try to stand and grab the door  
It's almost the same procedure every sunday  
Walking out, go way too far  
Don't remember where I parked my car  
It's almost the same procedure \*every\* sunday

If this is what life has to offer for me  
I might \*as well\* go back inside  
And fall asleep

Nanana...

Go to work and I'm late again  
Forgot my keys so I can't come in  
It's almost the same procedure \*every\* monday

Coming home to my empty place  
Watch tv as I count the days  
It's almost the same procedure every monday

It feels like my life  
Is stuck on repeat  
I might as well go back inside  
And fall asleep

Nanana...

(And fall asleep x2)

I'm far from the answer,  
To the question I forgot.  
I pretend I know it all,  
But all I know is what I'm not.

I'm far from the answer,  
To the question I forgot.  
I pretend I know enough,  
But all I know is what I'm not.

If this is what life has to offer for me.

I might as well go back inside...  
And fall asleep!

Nanana...

(And fall asleep! )
