I don't know how to put this right
Except we're screamin at the stoplight now
And I can't breathe

Wooooo!

I got the notion through all this commotion
That I was in the wrong
Through trial & error I found
Myself holding onto things I hate

If I had a dime for every appology
That was never said, I'd be a rich man

Where do we go when no one's home
Where do we run when I'm alone, alone, alone
Where do I hide when I'm afraid
Afraid the world is gonna change
Without meeee!
I stratigize playing tic tac toe
With dominoes
Anything to get me through the day

I stratigize playing tic tac toe
With dominoes
Anything to get me through the day

This is me tryin to live my life
With your standards, your God-awful standards
Are wearing me down

Where do we go when no one's home
Where do we run when I'm alone, alone, alone
Where do we hide when I'm afraid
Afraid the world is gonna change
Without me

Where do we go when no one's home
Where do we run when I'm alone, alone, alone
Where do we hide when I'm afraid
Afraid the world is gonna change

Without me
