I got this new girlfriend,  
She likes waking up early, instead of sleeping in  
And how she loves me for the dumb-ass that I truly am  
Yeah, I got this new girlfriend  
And honestly I probably shouldn't even call her mine  
She's so divine but, she's so coo-coo at the same damn  
time  
And I can't understand why it has taken so much time,  
To see this small town girl  
Is the catch of a life time

She don't even know just who I am,  
Nooo,  
She don't even know just where I've been,  
Nooo,  
And every broken promise that I've ever made  
I promise you,  
From the deepest darkest corner of my heart,  
Just know my love is true  
She don't even know

I got this new girlfriend,  
She likes scary movies and holding my hand  
And how she loves me for the fuck up that I truly am  
Yeah,  
I got this new girlfriend,  
And honestly, I probably shouldn't even call her mine  
She's so divine but she's so coo-coo at the same damn  
time  
And I can't understand why it has taken so much time,  
To see this small town girl,  
Is the catch of a life time

She don't even know just who I am,  
Nooo,  
She don't even know just where I've been  
Nooo,  
And every broken promise that I've ever made  
I promise you,  
From the deepest darkest corner of my heart,  
Just know my love is true

She don't even know

I got this new girlfriend

I never thought I'd fall in love again

But how she loves me for the broken heart I truly am

Yeah,

I got this new girlfriend
