I know that I've been dancing around the truth

Tell me what the hell I'm suppose to do

And I, I'm a little bit agitated

With a slight scent of denial

(Please don't call)

I'm calling all the time I know I interrupt

It hurts when all I hear is you hanging up

La da da da da da da

I wont try that again

(X2)

La la la la

(X8)

Everybody's going to the party

And were having a good time

I'm feeling alright tonight

With a better judgment(x3)

A better judgement

I'm calling all the time I know I interrupt

It hurts when all I hear is you hanging up

La da da da da da da

I wont try that again
