I know that I've been dancing around the truth (Whoa)  
Tell me what the hell I'm suppose to do  
And I, I'm a little bit agitated  
With a slight scent of de-nial

(Please don't call)  
I'm calling all the time I know I interrupt  
But it hurts when all I hear is you hanging up  
And la da da da da da da  
I wont try that again

I'm calling all the time I know I interrupt  
But it hurts when all I hear is you hanging up  
And la da da da da da da  
I wont try that again

La la la la  
La la la la  
La la la la  
(Hello?)  
La la la la  
La la la la  
La la la la

Everybody's going to the party  
And were having a good time  
And I'm feeling alright tonight  
With a better judgment

Everybody's going to the party  
And were having a good time  
And I'm feeling alright tonight  
With a better judgment

Everybody's going to the party  
And were having a good time  
And I'm feeling alright tonight  
With a better judgment  
A better judgment

I'm calling all the time I know I interrupt  
But it hurts when all I hear is you hanging up

And la da da da da da da  
I wont try that again
