I'm thinking about moving to california.
Where it is warmer
And all the girls look so damn good, but they're so
annoying.
And honestly I don't even care I'm so fed up with all the
subliminal messages
Deep down in my mind

I'm ready for something new a new neighbour hood to
call my own.
I swear I don't have a home anymore
So I'll have a good time wasting all your time

I'm thinking about moving to california.
To see what happens
Where all the grass it grows so green and it's almost
legal.
But honestly I don't even care I'll smoke a couple
months away with you cos I ain't got nothing better to
do than hit high with you.

In our new hood to call our own I swear I don't have a
home
So I'll have a good time wasting all the time
