Everyone around me,
Is always just-a talkin'
But the talkers keep on talking
But I fell up in the walkers
I will never know
'Cause I will never go there

Because talk is cheap
But, liqueur is cheaper
And if you're looking for a good time
Just hit me on my beeper
'Cause I got news for you,
I'm just as sad as you
It's true

My whole life is not what it seems,
It's not a fairy tale,
Or a damn wet dream
It's just still a life
A good time,
Some good times

'Cause everything around me,
Is always just-a chaingin'
For better or for worse,
My life is rearranging
And I got years to go,
And find a home,
And figure out my flow,
Well, just so you know,
I'm never comin' home

My whole life is not what it seems,
It's not a fairy tale,
Or a damn wet dream
It's just still a life
A good time,
Some good times

Yeah.
