Down too deep
Can't get out
So damn weak
Count me out
Down to deep
Can't get out
I'm so damn weak

What's that sound? Someone's around!
I've got a headache and I'm losing my mind
Fell off a cliff ten floors high
I'm screaming 'coz I don't wanna die
Ending up doing the same mistakes again
A familiar feeling, I've been here before

Down too deep
Can't get out
So damn weak
Count me out
Down to deep
Can't get out
I'm so damn weak

Count me out

Crashing down hard on the ground
Oh my god I've gone blind
Could it be I'm facing a wall
Colored by nothing at all
All burned out I can't take it anymore
I swear it's my last time
I don't want it no more

Down too deep
Can't get out
So damn weak
Count me out
Down to deep
Can't get out
I'm so damn weak

Count me out

Down too deep
Can't get out
So damn weak
Count me out
Down to deep
Can't get out
I'm so damn weak

Yeah!

Count me out
Count me out
Count me out
