"Last Goodbye"

Walking alone, on a dead end street
I'm going far but still not moving
I'm waiting for someone to take me away
There's hundreds of reasons for me not to stay

This is my last goodbye
Should I give it one more try?

Why don't just fade away
Why be around for nothing
Doesn't make any sense
Soon I am gone and forgotten (x2)

Waiting in this, soon I lose control
Following a path, I'm going crazy
Wondering where it all went wrong
I'm stuck in a place where I don't belong

This is my last goodbye
Should I give it one more try?

Why don't just fade away
Why be around for nothing
Doesn't make any sense
Soon I am gone and forgotten

Why don't just fade away
Why be around for nothing
Doesn't make any sense
Soon I am gone and forgotten

This is my last goodbye (Believe me I tried)
This is my last goodbye

This is my last goodbye
This is my last goodbye
Should I give it one more try?

Why don't just fade away
Why be around for nothing
Doesn't make any sense

Soon I am gone and forgotten (x2)
