You're the only one I've waited for
There's no one else I wanted more
This thing can take forever
I just hope I won't regret it

Time won't wait
So I guess that it's all too late

It's hard to say I'm sorry
It's hard to stand here alone
You're that someone
I can't get you off my mind
It's hard to say I miss you
It's hard to stand here alone
You're that someone
I just hope that you're all right

You're the only one I'm aiming for
You're amazing just because you are
I miss you more than ever
I'll wait for you forever

Time won't wait
So I guess that it's all too late

It's hard to say I'm sorry
It's hard to stand here alone
You're that someone
I can't get you off my mind
It's hard to say I miss you
It's hard to stand here alone
You're that someone
I just hope that you're all right

You're the only one I've waited for
You're the only one I've waited for

You're the only one I've waited for
There's no one else I wanted more
I'll stay right here forever
I just hope I won't regret it

You're the only one that I've ever known
(My only one)
I'll stay right here forever
I just hope I won't regret it

Time won't wait
So I guess it's all to late
And life won't wait so I guess that it's all too late.
