"Dolphins Make Me Cry"

(by Martyn Joseph)

Don't know what the world is going to do
Or if we can get off now the road that we're on
There's hate in my brother's eye but as the time goes
by
I get harder

They say we learn by our mistakes and then we carry
on
Sometimes I'm not sure, sometimes I'm not sure
There's no brakes on this car as it rolls down the hill
My muscles are straining now, my foot's through the
floor

Perhaps that's why, perhaps that's why...
I see the dolphin and it makes me cry
As I look in your eye, I look in your eye
As the time goes by, makes me cry.

Don't wanna to go to school anymore today
Because history, she keeps on and on repeating
herself
She can't forgive
