She says
Idaho
Is calling you home

Old friends and lovers
Returning the blows
Cry me a river
Miss understood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on
You turned away
No one is listening
Anyway

She says
Idaho
Is calling you home

Old Friends and Lovers
Returning the blows
Cry me a river
For misunderstood
(If you're misunderstood)
For all ever after
Knew that you would
(How I knew that you would)

I didn't turn on
You turned away
No one is listening
Anyway

Time is the best thing for giving in
No one is listening
Time is the best thing for giving in
No one is listening
Time is the best thing for giving in
No one

She says
Idaho
Is calling you home
