Sober you up  
The odds in your favor  
But I wouldn't wager anything  
The clouds in your ears  
Hold off your bets now  
It's all going too well

Something has got to give  
I wouldn't wait for it  
Baby I'll bet it's over due  
You're lucky to be alive  
So I wouldn't count  
On anything

Proceed with caution
