Come Back

When dark as night  
I saw the light  
It shone with more  
Desire than  
I'd seen before  
The leaves begin to fall  
I smell the air  
And hear a voice saying  
Come back  
Come back  
I need you now  
Come back  
Come back  
I need you now

It's time to lie  
Down on the shore  
Where you once cried  
For more, for more  
Come back  
Come back  
I need you now  
Come back  
Come back  
I need you now

It's true  
It's true  
I've been avoiding you  
When all you gave to me  
Was so pure and so complete  
The sounds that lull to sleep  
The flickering of the lights  
The water so deep  
Come back  
Come back  
I need you now  
Come back  
Come back

I need you now

It's time to lie  
Down on the shore  
Where you once cried  
For more, for more  
Come back  
Come back  
I need you now  
Come back  
Come back  
I need you now
