Recovery

Time for beer
Checkered cheer
Now you're here
I can see so clearly
No more question marks
Sympathy cards
It's in the stars
Troubled times are clearing

Now it's recovery
Looks like it's gonna be
Okay
It's a new day
Recovery
Looks like it's gonna be
Okay
It's a new day

I was wrong
You were right
Gotta stop
Feeling like it's never ending
We could go
Check out the show
Happiness
It's the sound of how you're feeling

Recovery
Looks like it's gonna be
Okay
It's a new day
Recovery
Looks like it's gonna be
Okay
It's a new day

Look into my eyes
And you will see what you want to find
You can paint the picture of your fever

Just to get it off your mind

It's a new day

It's a new day

It's a new day

It's a new day

Recovery (It's a new day)

Looks like it's gonna be (It's a new day)

Okay (It's a new day)

It's a new day (It's a new day)

Recovery (It's a new day)

Looks like it's gonna be (It's a new day)

Okay (It's a new day)

It's a new day (It's a new day)
