Time To Go To Sleep

Time to go to sleep  
Just lay back (just lay back)  
And relax

Time to close your eyes  
Just lay back (just lay back)  
And relax

On the seventh floor  
I can see it, it's a swimming pool  
But it looks like a river  
Saturday, what a day  
I'm not lonely  
But I'm  
All alone  
I'm trying to go to sleep  
But I can't go to sleep  
I lie awake with  
Coloured lights and ideas  
Stacked up high  
Where's the diamond in my  
Messy mind

Underneath the streetlight  
You see who I am  
It lights up the patterns and games  
And incomplete sounds and new names  
Saturday, what a day  
I'm not lonely  
But I'm  
All alone  
I'm trying to go to sleep  
But I can't go to sleep  
I lie awake with  
Coloured lights and ideas  
Stacked up high  
Where's the diamond in my  
Messy mind

I'm trying to go to sleep  
I lie awake with  
Coloured lights and ideas  
Stacked up high  
Where's the diamond in my  
Messy mind  
Coloured lights and ideas  
Stacked up high  
Where's the diamond in my  
Messy mind
