Chorus 1

Saturday Night! Saturday Night! We all get together on
Saturday Night.

Put on your shoes, go downtown. Do nothing but walk
around. On a Sunday
Or a Monday you can't do it right, Ain't ya glad we got
Saturday Night?

Verse 1

Early in the evening all week long, sit on your stoop and
sing your little
Song. Cry on yer pillow when things go wrong and wait
for Saturday Night.

Chorus 3

Saturday Night! Saturday Night! We all get together on
Saturday Night.

Vocal -oo- On a Sunday or a Monday you can't do it
Right. Ain't ya glad we got Saturday Night. Ain't ya glad
we got Saturday
Night. Green Green on a Saturday Night. Ain't ya glad
we got Saturday
Night.
