This land is your land, this land is my land

From bonna-vista, to vancouver island

From the arctic circle to the great lake waters,

This land was made for you and me.

As I was walking that ribbon of highway

I saw above me, that endless skyway.

I saw below that golden valley,

This land was made for you and me.

I roamed and rambled and followed my footsteps

To the firclad forests of her mighty mountains

And all around me a voice was calling

This land was made for you and me.

As the sun came shining and I was strolling

And the wheat fields waving and the dust clouds rolling

As the fog was lifting a voice was sounding

This land was made for you and me.
