Lead me on to a place where the river runs  
Into your keeping, oh  
Lead me on, the awaited deliverance  
Comforts the seeking, lead me on

Shoulder to the wheel  
For someone else's selfish gain  
Here there is no choosing, working the clay  
Wearing their anger like a ball and chain

Fire in the field, underneath the blazing sun  
But soon the sun was faded and freedom was a song  
I heard them singing when the day was done  
Singing to the holy one

Lead me on to a place where the river runs  
Into your keeping, oh  
Lead me on, the awaited deliverance  
Comforts the seeking, lead me on

Waiting for the train  
Labeled with a golden star  
Heavy hearted boarding, whispers in the dark  
Where are they going, is it very far?

Bitter cold terrain, echoes of a slamming door  
In chambers made for sleeping forever  
Voices like thunder in a mighty roar  
Cry to the lord

Singing lead me on to a place where the river runs  
Into your keeping, oh  
Lead me on, the awaited deliverance  
Comforts the seeking, lead me on

Man hurts man  
Time and time again  
And we drown in the wake of our power  
Somebody tell me why

Lead me on, lead me on to a place where the river runs  
Into your keeping, oh

Lead me on, the awaited deliverance  
Comforts the seeking, oh

Lead me on, lead me on to a place where the river runs  
Into your keeping, oh  
Lead me on, lead me on, the awaited deliverance  
Comforts the seeking, oh

Lead me on, lead me on  
To a place where the rivers run  
Oh, Lead me on, lead me on  
To a place where the river runs
