I'm standing here all alone
This night's about to end
(I'm looking for somebody)
To wil' out with me, sexually
Come with me, baby

Girl it's been long, close the door
Shed your clothes for me nice and slow
Will you dance for me, freak for me, give it to me?
All I wanna know

Who's gonna come home with me tonight?
(Will you come home with me tonight?)
Who's gonna lay her body next to mine?
(Lay your body down next to mine)
Who's gonna come home with me tonight?
(Baby)
Tell me who baby
(Tell me baby, yeah, yeah)
I just wanna know who

Here's the part where I can make
Your body start to tremble
No no no no no, girl your body's tight
That's why I decide to choose you tonight

Jump in my bed so I can take you undercover
Making love room to room until the sun's up
Then I'll let you fall asleep naked on me
This is our bedroom scene

Who's gonna come home with me tonight?
(Baby, baby, baby, baby, baby, baby, baby)
(It's alright, will you come on?)
Who's gonna lay her body next to mine?
(Come on)
(Who's gonna give me all the love that I need?)
Who's gonna come home with me tonight?
(One little question)
Tell me who baby
(Is it you baby, is it you baby?)
I just wanna know who?

(No, no)

(Get ready to take my love tonight)

Alright, see because I'm gonna take you all the way
down tonight

(Get ready for what's in me through love)

See I want to wrap my arms around you tonight

And I want you to feel my love 'cause I run deep, so
deep

(Get ready to taste my love every drop)

So deep inside your love I got one question for you
baby

If you're ready to feel it and taste it come, come on and
take it

Who's gonna come home with me tonight?

(Come on, come on, come on)

Who's gonna lay her body next to mine?

(I swear the things that I'll do to you)

Who's gonna come home with me tonight?

(No, no, no, nobody else would do it to you tonight)

Tell me who baby

(Just come on, come on, come on)

I just wanna know who?

Who's gonna come home with me tonight?

(Loving you is so good tonight)

(Talkin' about you tonight)

Who's gonna lay her body next to mine?

(All the things that you think that you want)

(That you think you need tonight)

Who's gonna come home with me tonight?

(I wanna know tonight, I gotta know tonight)

(Somebody tell me tonight)

I just wanna know who?

(Who should've known, have known)
