Lots of foggy little children up before sunrise
Stocking full of candy and a big surprise
look at the happiness in there eyes,
Thank god it Christmas.

People caroling into the night
When the snow the snow is falling, yeah, sleigh bell
rides tonight
We'll snuggle to a nice warm fire, I'm glad it's
Christmas

And before this day gets underway
Think of how much love you wish to give today.
Remember why would we give all everyday.
There is no reason every season oh oh oh.

People really need one another
Man, Woman, Boy, Girl, Sister and Brother
We wish you, Wish happy holidays to you

Happy holidays, happy holidays
Happy holidays to you

And for the holidays season celebration
Lets lift our hands to the Holy Nation
And say, Thank you father (Thank you Father)
Happy Birthday to your son

Happy holidays, happy holidays
Happy holidays to you

Hope is the strength we need
Love is to stand together
Peace is to be with everyone
Hey, Hey

Happy holidays to you
Happy holidays, happy holidays

Happy holidays to you
Happy holidays to you

Happy holidays, happy holidays
Happy holidays to you

We wish you happy holidays oh oh ah ah ah oooh
To you

We wish you happy holidays yeah yeah yeah
happy holidays, happy holidays
To you
