Girl, I'm leaving you again
And I thought I'll tell you when.
I know how you must feel,
But if you're love's for real.
You'll try to understand
That I'm in popular demand.

When we first met,
I told you how it would be.
You said you understood
And that you'd still keep loving me.
Now it seems you've changed your mind
Each and every time.
Girl, one day we will meet
You just wait and see.
As of today, it has to be this way.
Oh, oh, oh.

Girl, I'm leaving you again
And I thought I'll tell you when.
I know how you must feel,
But if you're love's for real.
You'll try to understand
That I'm in popular demand.

Girl, I wish
That there was a way
For you and I to stay together
Forever and a day.
Girl, I would give you all of my love
And place no one above.
And girl, one day we will meet.
You just wait and see.
But as of today, it has to be this way.
Oh, oh, oh.

Girl, I'm leaving you again
And I thought I'll tell you when.
I know how you must feel,
But if you're love's for real.
You'll try to understand
That I'm in popular demand.

Oh, girl, please tell me
Is there a way
For you and I to stay together
Forever and a day.
Oh, oh, oh, oh, please tell me
Will you still love me
Regardless to the way I leave
'cause that's the way it has to beee.

Ooooooh.
Aaaaaah.
Shoop shoop shoobop.
Means I'm never gonna give you up.
Shoop shoop shoobop.
Means I'm never gonna give you up.
Shoop shoop shoobop.
Means I'm never gonna give you up.
Shoop shoop shoobop.
Means I'm never gonna give you up.
Shoop shoop shoobop.
Means I'm never gonna give you up.
