Ooooooooooh. ooooooooooooooh. oooooooooooooh.  
oooooooooooooh.  
Ooooooooooh. ooooooooooooooh. oooooooooooooh.  
oooooooooooooh.  
Ooooooooooh. ooooooooooooooh. oooooooooooooh.  
oooooooooooooh.

We came out before.  
Now we're back again.  
Singin' the kinda girls we like  
Now is this the end  
We're about to blast off  
So hold on real tight.  
While michael tells you  
The kinda girl he likes.

Hey, I like a girl who likes to tease  
Not the kinda girl who's always there to please  
The kinda girl who makes up her mind  
When she ...(I never knew this part)...her given time.  
The kinda girl whom you always think about.  
That's the kinda girl whom you can't be without.  
I'm michael b. that's the girl for me.  
She's the only girl I could never leave.

You've heard one description  
Now listen to this.  
Because this one for sure  
You can't afford to miss.  
So turn up the volume  
And open your ears.  
Because this next description  
Is for you my dear.

Well, my friends call me flash b (is that right)  
And here's the kinda girl that's just for me.  
I like a girl that is right on time.  
She's also sweet and she's oh so fine.  
I like a nice young lady with beautiful hair  
So if you want to be with bob you gotta care  
She give me her love.  
She give me her time.

This kinda girl is mine all mine.

You've heard two descriptions  
Now here comes the third.  
And it's flyer (is that a word? from the word: fly :-)  
haven't heard that one in a long time) than anything  
That you've ever heard.  
We love all you girls without any doubt.  
And as long as you know this,  
You won't feel left out.

I like a nice young lady with class and style  
And when I'm with her she makes it worth my while.  
You know that...(what? )..has to be  
Just the right girl for ricky.  
I like a nice young lady who likes to have fun  
So if you fit this description  
I said, "hey girl, don't hesitate.  
If you want me, I'll be your playmate."

I'm ronnie d and I'd love to meet.  
A girl that would knock me off my feet.  
A girl that's fine and divine.  
A girl that wants to be all mine.  
A girl that can grant my every wish  
Is the girl I want to love and cherish.  
I promise you that if you are true.  
Tell me girl if it could be you.

You've heard the last.  
We're running out of time.  
But wait just a minute there's one last line.  
Now listen to this  
And keep that in mind.  
And we're sure that this next rap  
Will blow your mind.

Yes, I like a girl that will stay with me.  
A girl that's a pretty sight to see.  
A girl with style and much finesse.  
A girl that's smart and wants the best.  
I like a girl with a pretty smile.  
A girl that stands out in a pile.  
But most of all on top of all above.  
Ralph needs a girl that he can love.

We came out before.  
Now we're back again.  
Singin' the kinda girls we like  
Now is this the end  
Now I'm sure you'll agree

Our deep words are divine.  
But if you fit the description ,  
You'll do just fine fine fine fine fine fine
