I never had a love, I couldn't handle
But lately since I lost my baby
I cried about it all the time, I can't let it go
And I don't know what to do no more

The last time
I'll ever love someone again
In my heart like that again
That was the last time
I'll ever trust somebody else
I don't need nobody else

There's something bothering me today
I haven't heard your voice babe, on my phone
My brother said he saw you
And you didn't even ask for me at all

I don't even know
Why you left me?
My heart is aching
Oh I'm so lost for words
I can't explain how I'm feeling

Girl it's the last time
I'll ever love someone again
In my heart like that again
That was the last time
I'll ever trust somebody else
I don't need nobody else

Lately I've been missing you
Everyone's been seeing you
Why should I pretend?
My heart's been broke again
It makes no sense to claim you now
Where were you when I was down?
It doesn't even matter at all
Everyone has to fall

It's the last time
I'll ever love someone again
In my heart like that again

That was the last time
I'll ever trust somebody else
I don't need nobody else
