I know it comes as no surprise, that I...
am so in love with u
When I think of us two, I start feelin' blue
Somethin' that I gotten used to
But lately.. I must admit
Times have been been hard
Put a strain and pain on my heart
As much as it hurts to say these words
I think that it's best for u to

Leave me... Live ur life
Don't worry.. I will be alright
In no time.. u'll find someone
who's better than I
Go now.. don't u cry
I'll always.. be right by ur side
Maybe someday we'll get another try
Oh yeah...

It seems as tho.. Everytime I speak
Ur name.. I get weak
Cuz I imagine, before I go to sleep
That u are right here with me
Somebody told me, u can't appreciate..
What u try to til... it is gone
But they were so long, cuz I have cherished u
It's just that I'm not the one... u care...

Leave me... Live ur life

Don't worry.. I will be alright
In no time.. u'll find someone
who's better than I
Go now.. don't u cry
I'll always.. be right by ur side
Maybe someday we'll get another try

[Bridge]

Deep down inside
(Please here me now)
You expect so much
(that's why i'm hurting inside)

And I don't even
(No.. not at all)
Til Appreciate for my average girl
(It feels like we've grown apart)
(And I dont know if we... could handle)
the trouble.....
(If not it's gonna hurt me to see u)

Leave me... Live ur life
Don't worry.. I will be alright
In no time.. u'll find someone
who's better than I
Go now.. don't u cry
I'll always.. be right by ur side
Maybe someday we'll get another try

Leave me... Live ur life
Don't worry.. I will be alright
In no time.. u'll find someone....
